

**MEMORANDUM OF UNDERSTANDING BETWEEN
KOREAN ASSOCIATION FOR PUBLIC ADMINISTRATION AND
ASSOCIATION INTERNATIONALE DE RECHERCHE EN
MANAGEMENT PUBLIC**

Recognizing that the cooperative partnerships in the field of Public Administration across the countries are critical in deepening our understanding of public sectors, the Korean Association for Public Administration (KAPA) and the Association Internationale de Recherche en Management Public (AIRMAP), as the leading professional-academic organizations studying the public sectors in both countries, have agreed on the followings based on the existing understanding between the two countries.

1. Participation of KAPA members, particularly those interested in international and comparative administration, to become involved in AIRMAP's programs, and vice versa.
2. Development of a mechanism for participation and involvement in each organization's events, such as conferences and meetings.
3. Access and formal exchanges among each organization with a focus on sharing of professional publications, and collaboration on public administration research projects.
4. Development of mechanisms by which each organization's members can access electronic information available on the KAPA and AIRMAP websites, respectively.
5. Dissemination of the specifics of this agreement throughout KAPA and AIRMAP.
6. The language used in official communication between KAPA and AIRMAP shall be English.

7. This Agreement shall be ratified by KAPA and AIRMAP.

8. This Agreement shall be re-evaluated in the year _____.

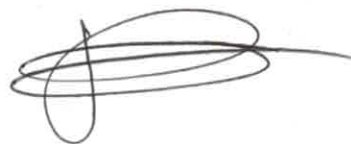

Upon execution, this document will signify the formal renewal of the Memorandum of Understanding agreement between KAPA and AIRMAP.
